Dear Derron:

Thank you on behalf of the SWEP Greater Philadelphia Board, for presenting "**Ecological Risk Assessment Overview Program**" on Tuesday, December 2, 2014 in Blue Bell PA. We very much appreciate the time and effort you put into development and presentation of this program. The program attendees greatly benefited from your professional expertise in presenting complex concepts with ease and clarity and your focus on practical applications and real world project examples.

Thank you again for continuing the SWEP tradition of excellence in delivery of first rate technical programs. We enjoyed working with you in planning and delivering this program.

Regards,

*Eileen Snyder*
